Everyday, you come to school with the opportunity to CHOOSE how you are going to be. In my classroom, I hope that each day you will CHOOSE to be the following...

1. **Be Respectful**: Respect the teacher, the classroom, other students, and yourself.
2. **Be Prepared**: Be in your seat with ALL required materials *before* the bell rings.
3. **Be Responsible for Your Own Learning**: Take notes, ask questions, and become an active participant in your learning.
4. **Be Your BEST**: Come to class rested and ready to learn math! Be courteous to Ms. Segobiano and your peers. Think, speak, and act in a positive manner!

Calculating Your Grade

Grades in math will be weighted. Grades are based on a combination of a student's effective effort and demonstration of achievement. Your overall trimester grade will be broken down as follows:

Tests/Projects 35%

Quizzes 25%

Daily Work: 25%

ALEKS: 15%
